A motion was made by Schneider, seconded by Hallstrom, and carried to approve the minutes from the previous meeting.

Neither public participation nor communication occurred.

The Committee reviewed creating and declaring a Historic District in the Market Square area. This designation would preserve the existing buildings, limit modernization, provide the property owners with guidelines on what type of improvements can be done to the building, and would prohibit the buildings from being torn down. A motion was made by Hallstrom, seconded by Curry and carried to send an invitation to the property owners in this district to attend the next Historic Preservation Committee meeting to hear comments on the declaration to expand the historic district of both sides of Main Street, both sides of Railroad Street and the adjacent North section of Wisconsin Avenue that borders these two streets.

Being no further business the meeting was adjourned.
